

End of Month 3

## I Can Suck My Thumb!

**Thank you for praying for me!**

I'm three months old now. I'm about the size of a lime, and I weigh one ounce. That's not much, but I'm fully formed and can even suck my thumb!

We are at the end of the first trimester! Your spiritually adopted baby is becoming very active in the womb now. His reflexes are forming, and he will respond when his mother's abdomen is prodded. Here are some things he can do:

- ❖ Squint
- ❖ Swallow
- ❖ Move his tongue
- ❖ Make a tight fist if you touch his palm
